Iqra Islamic Primary School

Sports Premium Funding Overview 2019/20

Grant Received = £ 21,344

Sainsbury School Games **PLATINUM** Kite Mark Awarded

Events	2018 / 19	Success	2019/ 20	% Increase	Impact	Funding
25 Level 2 Intra Competitions entered 25 A Teams 7 B Teams 2 C Team E.G of events Football, Tennis Cricket, Golf, Netball ,Hockey Change 4 life	25 events	Pupils obtained a high level of achievement in each sporting event entered. Each child came back to school with an improved understanding of fair play and a great sense of believing in their own ability to succeed. Pupils found that by working as a team, success could be achieved They also demonstrated resilience by understanding the importance of winning and losing and that taking part was the most important element.	25 events	Continued amount of level 2 festivals entered	Pupils will continue to compete in a multitude of different sports against other schools at a N.G.B. level 2 events. The children will experience competing against pupils from a whole range of cultural and social backgrounds, which enriched their moral understanding. Pupils understood the importance of working as a team and by trying their best in order to compete. County games Quote – Year 2 **" I felt proud to be representing my school at the Berkshire school games"**	S.S.S.N. % of £ 3631
Pupil premium children 48 / 96 Outdoor Education Engage Water sports centre / climbing wall Junior Leadership	2 trips 1 Trip 1 Trip	The school was invited to the Feel Inspired S.E.N.D. School games. Pupils took part in a number of fun activities ranging from Wheel Chair Basketball to Fencing. The sessions were all led by ex-British world champions Pupils experienced new challenges when they visited the Water Sports centre. They participated in Stand Up Paddle Boarding, Raft Building and Kayaking. They also had a chance to go Rock climbing on a 30m wall. All the pupils learnt that by having a go you can overcome the challenges put in front of you and have a fun time trying. Pupils went to the new indoor climbing wall, they overcame their fears and challenged themselves to see how high they could climb.	3 trips 2 trips	3 trips +50% + 50%	The two areas in which the children really developed in, was their self-esteem and confidence. knowing that if they tried something new they could succeed. (with a little practice) Learning to adapt and overcome their initial fears was an important lesson to take home. The pupils had to build a raft, using rope and barrows, once built they had to race around a course on the lake. They learnt by working as a team they could overcome obstacles, build on their self-belief and grow with confidence. Quote "**I can stand up!" (SUP)** Listening to the children tell each other that this experience has helped them to not be afraid to try something new.	S.S.S.N. % of £ 3631 £ 45

Pupils participating in competition outside of school	250	Pupils had the opportunity to compete in over 25 level 2 competitions organised by the S.S.S.N. The festivals allowed the pupils to compete against other schools from Slough. Each year group was involved.	300	+20%	Pupils learnt all about fair play and respect for the other team. How to work together as a team to succeed. They will learn how to accept defeat and be gracious in victory, which will help develop their character. Basketball festival – Quote – Year 6 **"I loved representing my school and playing in a fun competition"**	S.S.S.N. % of £ 3631
Children participating in after school clubs. 8 Sports clubs	162	A range of mixed clubs were on offer for the pupils to participate in, including: Football , Karate , Netball , Multi skills , Tag Rugby , Healthy life style club , Girls Football , Boxing	198	+22%	More children participating in a range of different sports. Leads to a healthy life style and more engagement in adult life. Boxing club – Quote Year 6 **"I learnt how to control my temper and respect myself"**	S.S.S.N. % of £ 3631
Girls' Sports Clubs	2	Girls only clubs allowed the girls to play in their own space and develop their skills by learning from each other. The girls also wanted to play more and access a range of different sports. Girls – Netball, Football,Archery,Cricket	4	+100 %	Improving the girl's confidence and self-esteem. Providing a platform for the girls to strive towards their ambitious aspirations. Girls Football – Quote Year 5 **"I want to be the best ever player and one day play for England"**	S.S.S.N % of £ 3631
External coaches delivering professional coaching sessions	5	Giving the pupils access to different sporting opportunities allows for the pupils to experience new sports, learn new skills and provides a pathway outside of school to further their journey. Football – F.A (Girls) Tag Rugby Cricket, Netball, Golf, Hockey, Netball	8	+29 %	Pupils enthusiasm increased due to being taught by a role model from a professional sporting body. The pupils gain expert knowledge whilst at school and are made aware that they could participate further in a club environment. This gives our pupils an excellent opportunity to meet new people, challenge themselves and to strive towards a new life goal.	£ 855
C.P.D. Staff opportunities	2	Engaging other staff members on how to deliver P.E. to their pupils. Allows for a varied and detailed P.E. programme. Real P.E. – Yoga – Dance - Gymnastics	2	same	Staff from across the school accessed different workshops to help develop their subject knowledge as teachers. This has enabled staff to become more confident when teaching P.E.	£ 100
Extra professional P.E. staff provision	1	First4sport provide break and lunch + additional P.E. sessions. The break and lunchtime sessions are organised so every pupil can be more active whilst having fun.	2	+ 100%	The pupil's well-being has improved; the pupils are more active and are learning new skills. The behaviour on the playground has improved dramatically.	£ 12,344

Curriculum P.E. time - Hours	2	2 hours of professional P.E. across the school - gives the children a fantastic opportunity to learn all the key fundamental movement skills, develop and improve in different physical activities and sports and learn how to evaluate and recognise their own success.	2	SAME	Employment of another P.E. specialist	S.S.S.N. % of £ 3631
Large Cross curriculum projects	2	Healthy life style project Lunch box awareness London Irish – Tackling numbers Combing science with P.E. Active Movement scheme	4	+100 %	Expand and work closer with each year group to put in place a bigger whole school picture Let's Get going - Quote – Year 5 **" I learnt a lot of really important information about my Heart and the importance of staying healthy"**	S.S.S.N % of £ 3631

						Total = **£ 21,344**

Swimming

Meeting national curriculum requirements for swimming and water safety	Please complete all of the below:
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres? **N.B.** Even though your children may swim in another year please report on their attainment on leaving primary school.	12 %
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	12 %
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	12 %
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity **over and above** the national curriculum requirements. Have you used it in this way?	Yes/No

Swimming is funded through the school budget

Iqra Primary School

Sports Premium Funding Overview

2019 – 20

External Recognition

Iqra is proud to announce that the school has achieved the Sainsbury School Games PLATINUM Kite Mark. Iqra is the first school in slough to achieve this prestigious award.

Every year the school strives to be the best school in Slough and further afield in delivering outstanding sporting opportunities to all its pupils. Iqra has excelled in achieving the highest award.

The Sainsbury's School Games Mark is run by the Department of Culture, Media and Sport (DCMS) and is implemented and developed by the Youth Sport Trust and Sport England. The Mark rewards school's for their commitment to and the development of competition, school sport and physical education throughout the year.

The main criteria are as follows:

Provide approved NGB school games level 1 and level 2 competitions for boys and girls.

Engage at least 50% of students in Extracurricular sporting activities.

Engage at least 20% of students in leading, managing and officiating in the school games activity

Have a sports council team in place to help out with planning and the development of school games activity.

Interact with parents and the local community in sporting projects

Linking in with outside sporting bodies to provide extra opportunities to the children (Tag Rugby/ Try Golf / Basketball / Football)

Have an effective website telling everyone what sporting events are going on at the school.

Have an annual school games day

Identifying talent and have a more able programme running

Slough School Sport Network Partnership

The SSSN serves to provide and support all young people in Slough with the opportunity to participate in high quality sport and physical activity opportunities in order to adopt a healthy habit for life. Working alongside the S.S.S.N. Iqra has the opportunity to attend over 30 sporting festivals, access teacher training courses, attend well-being programmes, leadership and volunteering workshops and provide extra coaching support for the school. Iqra has imbedded the core values of the Government lead School Games kite mark into the school curriculum and is the first school in Slough to achieve the highest award, (Platinum).

Orienteering Course

The school have designed and set up an orienteering course that all pupils can access. The course will allow cross curriculum activities to take place as well as enhancing the pupil's fitness and overall wellbeing. This is an excellent way for the pupils to learn all about team work, problem solving and gaining a life skill.

Quote **"We were so proud when we reached the finishing point"**

Active Movement project

The school is fully engaged in the active movement project. The main idea is to get all pupils and staff more active outside of a P.E. lesson / sports activity. During lessons the pupils are standing up when answering questions, moving around their classroom more and trying where possible to walk / or ride to school. Schools in Slough are linking together to set up competitions, arrange workshops and engage public health Slough to work along side the parents to raise awareness of the importance to lead a more active lifestyle.

Quote **"It's fun standing up when I have to answer my name during registration"**

www.activemovement.co.uk/active-movement-for-schools

Daily Mile Project - Up and running

The aim of The Daily Mile is to improve the physical, social, emotional and mental health and wellbeing of our children – regardless of age, ability or personal circumstances. We are proud to have the track at the school and we can see the impact it is having on our pupils already. The track is used every break time and during the pupils P.E. lessons. Not only do the pupils enjoy walking / running around the track but they can set their own personal challenge and have a go in trying to beat it each time they use the track.

www.thedailymile.co.uk

SLT / External Reviews

Outstanding

Positive internal and external reviews are a reflection on the work carried out at the school. High quality P.E. lessons give the children knowledge and understanding of a wide range of sports, which will help them to achieve their own personal goals.

Sports Specialists – Break & Lunch sessions

Iqra has employed sports specialists to run a full programme of sporting activities working within the national curriculum. The children are guaranteed high quality P.E. Lessons. The P.E. Specialists provide further opportunities for the children by running active movement sessions during break and lunch times.

Sports Festivals Entered.

25 N.G.B. Level 2, Intra school festivals entered

7 B Teams and 2 C Team

Tag Rugby – County finials – Berkshire School Games (2019)

Change 4 life – County finials - Berkshire School games (2019)

Tag Rugby, Netball, Basketball, Football, Cricket, Golf, Swimming, Fishing, Multi Skills, Karate, Athletics, Hockey, New age kurling, Infant Agility, Sports hall Athletics, Boccia, Rounder's, Badminton

Over 300 pupils are attending level 2 sports festivals giving the children a chance to compete in many different sporting activities Iqra also run in house competitions for the children.

Junior Leader Programme

A programme has been set up allowing children in years 5 and 6 to lead and run a programme of sports and activities at lunchtime for children in key stage 1

The junior leaders must organise and run activities they have designed; they must follow a strict programme of personal and social goals, which are set out.

The goals are only reached if they agree and their peers agree on their performance.

The programme allows the children to develop their own personal and social skills, gaining the confidence to lead whilst giving children in key stage 1 the opportunity to learn new games.

Parental Involvement

Iqra works hand in hand with Iqra Parents and undertakes numerous important projects such as fund raising for both school funds and local / overseas projects. The school are running fitness classes and the parents are making use of the Daily Mile track to enhance their active life style. We also have a parent school committee that meets once a month to explore ways in which the school can improve on and engage a wider network of people.

First Aid Course

The school have established a link with the British Red Cross giving the children opportunities throughout the year to learn all about basic first aid. The children will also be working closely with the Red Cross to raise money and awareness of the importance work the Red Cross do both locally in our community and further afield.

After School clubs

One of the ways to encourage sport at the school is to offer after school clubs. The clubs on offer are Karate, Football, Cricket, Netball, Change4life, multi skills, Swimming and Archery - There will be more to follow throughout the year. Each term the children will be offered different sports to attend.

Sports Council

A Sports Council has been set up to look at ways in which we can improve the sporting opportunities at the school. The children are currently working on ways to promote a more active healthier life style and get more children in the school taking part in sport. **The daily mile project** has now been installed and it is lovely to see all our pupils and staff using the track on a daily basis This will have a huge impact not only on the pupil's health but mental wellbeing as well.

School Games Day / Sport Relief Day

Every year the school holds sports days for Reception/ KS1 / KS2 allowing the children to compete for their houses in a fun sporting event. The children also have a fun day of sporting events to raise money for charity. In 2019, the school raised over £ 500.00. We hope to beat this in 2020/21

House Teams

During all the P.E. lessons the children are put into their house teams, which allows a fun competitive element to be in place. This gives the children a sense of team spirit and what it is like to win and lose. The competitive element gets stronger as the year progresses ending up concluding in the annual school games at the end of the summer term.

Swimming

Iqra provides opportunities for the pupils to attend swimming lessons in years 3, 4, 5 and 6. The pupils attend the local pool and really enjoy their swimming lessons. This is a great opportunity for the pupils to gain a life skill.

S.S.S.N. Sports Leagues

Iqra has entered into the S.S.S.N. sports leagues. The children will have the opportunity to play matches against other schools in Slough.

Communication

Every 2 weeks / monthly the website is updated with all the fantastic achievements, projects, festivals which are going on at Iqra and elsewhere. The sports news is displayed on the notice board inside and outside so everyone has the opportunity to read about the amazing things being achieved.

Newsletter

A monthly newsletter goes out to the parents informing them of the latest news and sporting events in and outside of the school. Information is also displayed on the T.V. Screen at the front of the school so the parents can be updated every day.

Cross Curriculum Activities

Throughout the year the P.E. department is linking up with the whole school on projects to enhance the learning of the pupils. The school has signed up to Premier stars a programme designed to get everyone more active not only in their P.E. lessons but in the classrooms too. The success of the Olympic Games / Commonwealth has inspired the children to have a positive attitude towards sport and know what it now takes to achieve their own goals and the work required to be the best. The school is at present on a Healthy life style drive, looking at what the children eat, how much exercise they do outside of school and looking at what change everyone can do to make a lifelong difference.

Online Assessment Tool

In conjunction with the introduction of the Real P.E programme (KS1) we are looking to install an online assessment tool, which will allow easy recording of individual progress during the year. The assessment tool is set up in such away it will look at all the fundamental skills: Social / Personal / Creative / Cognitive / Physical.

The children will be able to interact and upload their own personal achievements and see their progress.

Pupils Survey

To enhance the enjoyment and continued success of the children in sport across the school, the P.E. Department will send out a questionnaire asking a number of different questions in relationship to what the children would like to see in the school in relationship to P.E.

Girls – After School Sports Clubs

The school always looks at ways of enhancing the quality of P.E. and sporting opportunities on offer for girls. One of the areas of improvement that was identified when doing the Sainsbury School Games Kite Mark was the acknowledgment that the school needed to make more provision for girls to participate in after school clubs.

This has been addressed and the school has provided more opportunities for girls to take part by providing outside professional coaches to come in to the school (F.A. Football) / Netball .This has proven to be a success and will continue and be expanded to involve more year groups.

S.E.N. / Financially Disadvantaged

The P.E. Department is working closely with the S.E.N team and looking at ways we can improve / provide more sporting opportunities to pupils with S.E.N and financially disadvantaged children.

There has been a progressive involvement in P.E. activities at Iqra in 2019 and the school is looking to take this forward into 2020. There has been a substantial increase in the number of sporting opportunities on offer. The amount of sports festivals entered, in-house activities, and projects currently running are a testament to all the work being done. Below is a resume on all the sporting activities and projects the children are doing and have done so far.

By the end of the summer term 2020 it is planned to see a continual improvement in sports at Iqra and an action plan has been developed to drive this vision forward.

Sustainable Travel Programme

Working in Partnership with Slough Brough Council, Iqra has received funding to provide the pupils with a covered bike shelter. Along side this the Bike Ability team are coming into the school to deliver training for the pupils on how to ride their bikes safely on the roads. The school has also signed up to “Love to Ride” an incentive to get both pupils and staff riding to school and out of their cars (cutting down on pollution). The school is working closely with the council and other partners to bring more exciting projects into the school.

Moving Forward / Sport Premium Funding

The introduction of the new government funding for P.E. will enable the school to develop and expand the P.E. programme looking at ways to target groups such as (those receiving free school meals to ensure they are not disadvantaged by lack of financial support, S.E.N. and Girls), This will enhance the work already been done at the school. The school is always looking to explore new ideas and have installed a new **Orienteering course**. This has given the pupils another opportunity to be more active, learn to work as a team and challenge themselves. Each class will have access to the orienteering course as part of their P.E. Lessons and during their break times.

Impact - Summer - 2020

Sainsbury School games PLATINUM kite mark awarded

1: Introduction of a **new Orienteering course** – Every pupil participates in the fun interactive course.

2: Increased number of **After School Club's** children can access.

3: Increased number of **Girls** participating in sport. All competitions / Clubs

4: **S.E.N.D** – A wide range of **sporting opportunities** is available through local competitions and events.

5: Increased number of children in leadership roles across the school (**Junior Leadership programme)**

6: Increased number of children taking on responsibility roles at the school. **(Sports council)**

7: Increased number of **external professional coaches** coming to the school to deliver sporting programmes.

8: Ongoing project to give the children an understanding of how to lead a **healthy life style**. (Change4Life Club) / Let's get going / Oral health workshops.

9: The introduction of **outside education** activities for the children to access, **Go- Ape** / Black park.

10: Exploring new ways to give the children **real life adventures –** Kayaking, Sailing, Rock Climbing

11: **More able programme** running providing children with talent to explore their potential.

12: **Cross Curriculum projects** – Iqra always looks to enhance the experiences of its pupils and linking in cross curriculum projects with local outdoor centres (Black Park) gives the pupils a chance to explore the outdoor world. Pupils have been looking at bugs in **science** and went to the woods to collect and discover what they could find.

13: **Workshops** to pupils and parents – Oral Health / Dietary / Walking (Daily mile)

14: **Competitions** – Increased amount of sporting festivals entered for all pupils

15: **Active Movement programme** – introduced the Active movement programme into the school, so every pupil can be more active, and lead a healthier life style.

16: **Bike Shelter / Bike Ability Training** – Brand new bike shelter provided alongside bike safety training - promoting sustainable travel and cutting down on pollution around the school.
