Cricket Skills Festival

Amid the cheerful buzz of the festival, some of our Year 3 pupils brought energy and excitement to the field with a lively game of cricket at Slough Cricket Club. Young players, full of enthusiasm, took turns batting and bowling. With quick runs, playful competition, and plenty of laughter, the match captured the joy of teamwork and friendly sportsmanship. The cricket game not only entertained but also highlighted the children's passion for the sport, making it a delightful highlight of the day's festivities.

Humble Warrior Festival

A group of our enthusiastic year 5 + 6's of children took to the mats to showcase their judo skills in a spirited and friendly demonstration. Dressed in their crisp white uniforms and coloured belts, they performed basic throws, falls, and sparring techniques with confidence and discipline. The demonstration not only highlighted their physical strength and coordination but also the values of respect, self-control, and perseverance that judo teaches.
