

“WOW! What an incredible day it was as pupils across the school came together to celebrate their sporting talents. Every year groups take part in a **fun-filled morning of exciting sports activities**, and the enthusiasm was infectious from start to finish! Children competed in a variety of events including **sprint races**, **javelin throws**, **sack races**, and the classic **egg and spoon race**. It was wonderful to see pupils showcasing their skills while representing both their **classes and house colours** with pride and sportsmanship. The energy, teamwork, and determination shown by all was truly inspiring. A huge well done to every participant – you made the day a real celebration of physical activity and community spirit!
