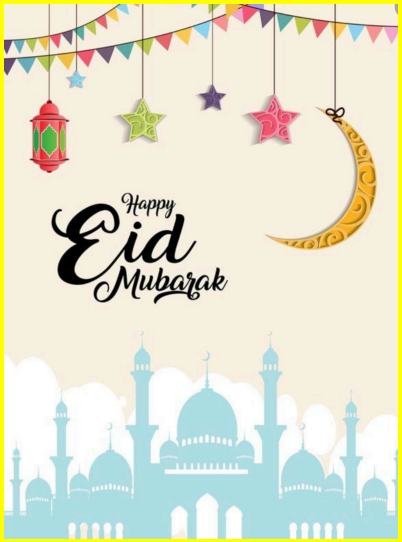
Asalamualyakum R2!

I hope you all had an amazing Eid! I spent time with family and ate lots of delicious food. What did you all do for Eid? I would love to see what you all got up to. You can email your pictures to parentpay@iqra.slough.sch.uk.



Remember to complete your weekly homework, which will be uploaded on to the website every Friday. Here are some fun activities you could do in your garden.
