

# Iqra Sports News – Autumn Term - 2025

## HADO - Dodge Ball Festival

Our Year 6 pupils took part in an exciting virtual reality dodgeball festival. Wearing virtual reality headsets, they fired bubbles across the room, aiming to hit the opposing team's shields. The children had lots of fun and thoroughly enjoyed this unique and immersive experience.

## Fencing Festival – Little Musketeers

Pupils in Year 1 had an amazing experience learning all about the art of fencing. They learned how to advance, retreat, and say “En garde,” which is French for “Get ready!” Everyone had a fantastic time and thoroughly enjoyed taking part.

## Lunch Time - Skipping Club

Our Sports Council wanted to encourage pupils to be more active at lunchtime, so they came up with the idea of running a skipping club. The club has proved to be very successful, with more and more pupils joining in each week and enjoying being active together.
