**BEHAVIOUR
FOR LEARNING
POLICY**

Behaviour for Learning Policy

Introduction

Good Behaviour is what we strive through our life to achieve as Muslims. A sign of Allah's bounty upon the Prophet (peace be upon him) is his good behaviour. This is mentioned in the Quran when Allah the Almighty says:

"And verily you are on an exalted character"

(Quran)

The Prophet (peace and blessings be upon him) said,

"He is not of us who does not have mercy on young children, nor honour the elderly" (Al-Tirmidhi).

Expectations of everyone regardless of their faith are underpinned by British Values and SMSC such that all children are able to successfully participate in a multicultural Britain and this school. Positive behaviour must be carefully developed and supported. High self-esteem promotes positive behaviour along with effective learning and positive relationships. It is important to reward success and potential and give descriptive praise for effort and achievement, rather than focusing on shortcomings and failure. Encouraging and developing responsibility for own behaviour is also an important element of effective teaching and learning.

OUR AIMS

The primary aim of IQRA Primary School is to build the mannerisms and values of the children in accordance with Islam. The behaviour of the children in school should therefore reflect the Islamic faith.

- The primary aim of the school is to encourage a personality which manifests the highest Islamic **Akhlaaq** (*morals and manners*) in all children including those children that are not of the Islamic faith.
- To ensure that the management of children's behaviour preserves everyone's right to be safe, respected and able to work.
- To provide clear guidance for all staff, children and parents about the systems in place to manage positive behaviour.

Iqra Slough Islamic Primary School: Whole School Policy

Principles

Iqra Slough Islamic Primary School is committed to providing an environment where all people can feel safe, happy, accepted and included. It is important that an orderly framework should exist within which an effective teaching and learning can take place.

Iqra Slough Islamic Primary School holds an important position in the wider community, educating the young citizens of tomorrow in a way that will ensure that they take a positive and proactive role within their community in the future.

Children should be encouraged to develop:

- respect for others: their feelings, opinions, cultures, limitations and the right to individuality.
- respect for themselves: pride in their own achievement and that of others in the school, high standards of behaviour and dress, and the desire to produce their best work at all times.
- respect for the environment: their own, the schools and other people's property and the community in which we live.
- respect for the future: the belief that we can all make a difference by our contribution to the local, national and global community.

The Behaviour Policy will:

- emphasise providing opportunities for children to take responsibility and be involved in decision-making.
- establish and promote consistent expectations of both staff and children.
- promote self-discipline and proper regard for authority among children.
- encourage good behaviour and respect for others and prevent all forms of bullying among children.
- foster a culture in which children's achievements are recognised and celebrated.
- ensure that staff are seen to be fair and consistent.
- ensure that all staff are able to take prompt and effective action when children behave inappropriately.
- promote working in partnership with home and external agencies.

Roles and responsibilities of Headteacher, other staff and governors

The Headteacher will be responsible for ensuring that this policy is implemented and for reporting to the governing body on its impact. He will ensure that staff receives appropriate training and support and that the statutory guidelines in place in relation to children's discipline are applied. Ultimately, and only once all procedures have been followed, he will address the possibility of excluding a child.

Teachers and support staff will be expected to:

- be consistent and fair in the application of rewards and sanctions, not ignoring poor behaviour and celebrating good behaviour as a way of maximising children's self-esteem and confidence as learners.
- set high standards early in order to help children establish regular punctual attendance and good behaviour from the start, involving parents in the process.
- intervene promptly where there is poor behaviour or unexplained absence, so it is clear that this will not be tolerated.
- employ techniques such as assertive discipline, child mentoring and buddying to help improve and maintain high standards of behaviour and discipline.
- identify underlying causes since poor behaviour may be linked to a child's problems in understanding lessons.
- recognise that when they need to challenge children, the focus must be on the behaviour.
- give children choices and help them to understand the consequences.
- provide an appropriate curriculum, and high-quality teaching, promoting challenge and high expectations.
- ensure that teaching methods promote active participation for all, within a challenging and supportive environment.
- create a stimulating learning environment that promotes independence and on-task behaviour.
- encourage pride in achievement.

Whole School Approach

The school recognises that effective learning and teaching can only take place in an atmosphere where there is a clear understanding of what is and what is not acceptable behaviour for learning. Actions which prevent teachers from teaching and children from learning will not be tolerated.

School "Golden Rules"

The school follows 4 Golden Rules based on Islamic manners. Honesty, Respect, Co-operation and Compassion – clearly visible for all to see.

Iqra Slough Islamic Primary School: Whole School Policy

Principles

The following principles will be recognised to ensure that a whole-school approach to behaviour management is successful and ensures outstanding outcomes for all our children.

1. An understanding, acceptance and implementation of the policy by **all** members of the school.
2. The Behaviour for Learning Policy is a true and working partnership between **all** members of the school and community.
3. The recognition that a whole-school approach to behaviour management is preventative. Pro-action is more effective than re-action.
4. An understanding that self-discipline and outstanding outcomes for all our children is the ultimate aim for all members of the school.
5. An understanding that behaviour patterns can be changed and managed effectively when behaviour issues are handled consistently.
6. A commitment to fairly administered sanctions.
7. Effective behaviour management seeks to avoid aggressive confrontation.
8. Rewards, obtainable by all, are an effective way of improving and maintaining good behaviour and should be applied consistently and fairly.

Several other school policies should be referred to in conjunction with the Behaviour for Learning Policy, for example:-

- Anti-Bullying Policy
- Attendance Policy
- Equal Opportunities Policy
- Safeguarding
- Special Educational Needs Policy

Positive Feedback

Here are some practical examples of how we ensure that we give positive feedback to our children at IQRA Primary School:

- ✓ Smiley faces
- ✓ Praise stamps/stickers
- ✓ Class privilege
- ✓ "Circle time"
- ✓ Good behaviour certificates given out weekly
- ✓ Positive messages sent home
- ✓ Golden time
- ✓ Attendance rewards given out weekly and termly
- ✓ Termly rewards trips to celebrate exceptional behaviour
- ✓ Whole school 'Learning Behaviours' reward system

Iqra Slough Islamic Primary School: Whole School Policy

The Learning Behaviours reward system

At Iqra, we believe that children who are inspired learners have the confidence to recognise that by focusing on building their learning skills and working hard, they can achieve success. The Learning Behaviours reward system focuses on developing and deepening key behaviour skills that children are taught right from the start of their education in their Early Years stage, right the way through their entire Primary education.

Based heavily on the Early Years National Curriculum, the whole school Learning Behaviour system focuses on 5 key behaviours: independence, critical thinking, caring, resilience and being creative.

- Children are rewarded with points when they display examples of these behaviours, and may be rewarded both independently and when working collaboratively.
- Points can be given out by all adults and around the school and children are encouraged to display these behaviour attitudes throughout their everyday life at Iqra.
- Each week, one child is chosen from each class to receive a special certificate in the school achievement assemblies for showing an example of the Learning Behaviours.
- At the end of each week, the group of children who have displayed the Learning Behaviours the most, and have therefore collected the most points, are rewarded by their class teacher.

We believe that the Learning Behaviours can help prepare our children with the skills and attitudes for adapting to the future challenges they may face, as well as emphasising the crucial link between the way that children learn and their social awareness.

Reward Trips

At the end of each term, children from each class are chosen to go on a celebration trip which is paid for by the school. The children are chosen based on their efforts to continually demonstrate exemplary behaviour and is based on the Learning Behaviour skills.

Roles and Responsibilities

Class Teachers will:-

- Plan and deliver engaging lessons at an appropriate level of challenge
- Maintain a positive, well managed classroom environment where every child can achieve outstanding outcomes.
- Use the Behaviour Stages (as outlined in Appendix 1) consistently and positively
- Record behavioural events on the School's Behaviour Log in order to communicate issues and information to staff.
- Implement good behaviour charts, or set behavioural targets to enable good communication between home and school.
- Follow the Suggested Behaviour Steps (See Appendix 2) before referral to the Senior Leadership Team.

Learning Support Assistants and Support Staff will:-

- Assist in maintaining a positive and well managed environment.
- Refer children whose behaviour gives cause for concern to their Line Manager, Year Leader, Phase Leader or the Senior Leadership Team.

Iqra Slough Islamic Primary School: Whole School Policy

Year Leaders will:-

- Ensure that their Year Groups follows the agreed and adopted Behaviour for Learning Policy with regard to both rewards and sanctions and their roles and responsibilities within and outside the classroom.
- Support members of their department with behavioural issues with individual children or classes.
- Contact or meet with, parents / carers when necessary ensuring that they inform the necessary member of the SLT
- Organise and co-ordinate time out or internal exclusions where necessary following the Behaviour Stages shown in Appendix 1.

The Phase Leader will:

- Liaise with staff and Year Leaders with regard to concerns about the behaviour of individual children or groups of children and act accordingly.
- Regularly monitor and analyse the Conduct or Behaviour Log taking action to improve children's behaviour.
- Regularly update and liaise with the Deputy Head teacher with responsibility for Support & Inclusion where there are serious situations arising with children
- Contact parents/carers by letter/telephone or message to inform them of issues/concerns and actions taken.
- As a last resort arrange meetings with parents to outline concerns and find a way forward to meet child's needs.
- Make referrals with the Inclusion Manager to external agencies, e.g. Families First

The Senior Leadership Team will:-

- Ensure the staff fulfil their roles and responsibilities and follow the Behaviour for Learning Policy.
- Conduct 'Learning Walks' calling into lessons particularly those lessons which staff have identified as a behaviour "hot spot" where SLT support has been requested.
- For serious cases of disruption discuss the matter with the Deputy Head who will then discuss with the Headteacher a possible Fixed Term Exclusion

The responsibility of the school's behavioural policies and practice is that of the Headteacher.

Parental Involvement

We expect parents to support their child's learning, and to co-operate with the school, as set out in the home-school agreement. We try to build a supportive dialogue between the home and the school and we inform parents immediately if we have concerns about their child's welfare or behaviour.

The school works collaboratively with parents so that children receive consistent messages about how to behave at home and at school. We have an open door policy and actively encourage parents to come into school to clarify any issues. We also send out questionnaires to parents to get their views on a variety of subjects.

We explain the school rules in the school prospectus and we expect parents to read these and support them.

Iqra Slough Islamic Primary School: Whole School Policy

If the school has to use reasonable sanctions against a child, parents should support the actions of the school. If parents have any concern about the way that their child has been treated they should initially contact the class teacher. If the concern remains they should contact the Phase Leader or Deputy Head. The Headteacher will get involved when all other avenues have been explored. If these discussions cannot resolve the problem a formal grievance or appeal process can be implemented to the School Governors in accordance with our complaints policy.

The role of governors

The governing body has the responsibility of setting down these general guidelines on standards of discipline and behaviour, and of reviewing their effectiveness. The governors support the Headteacher in carrying out these guidelines.

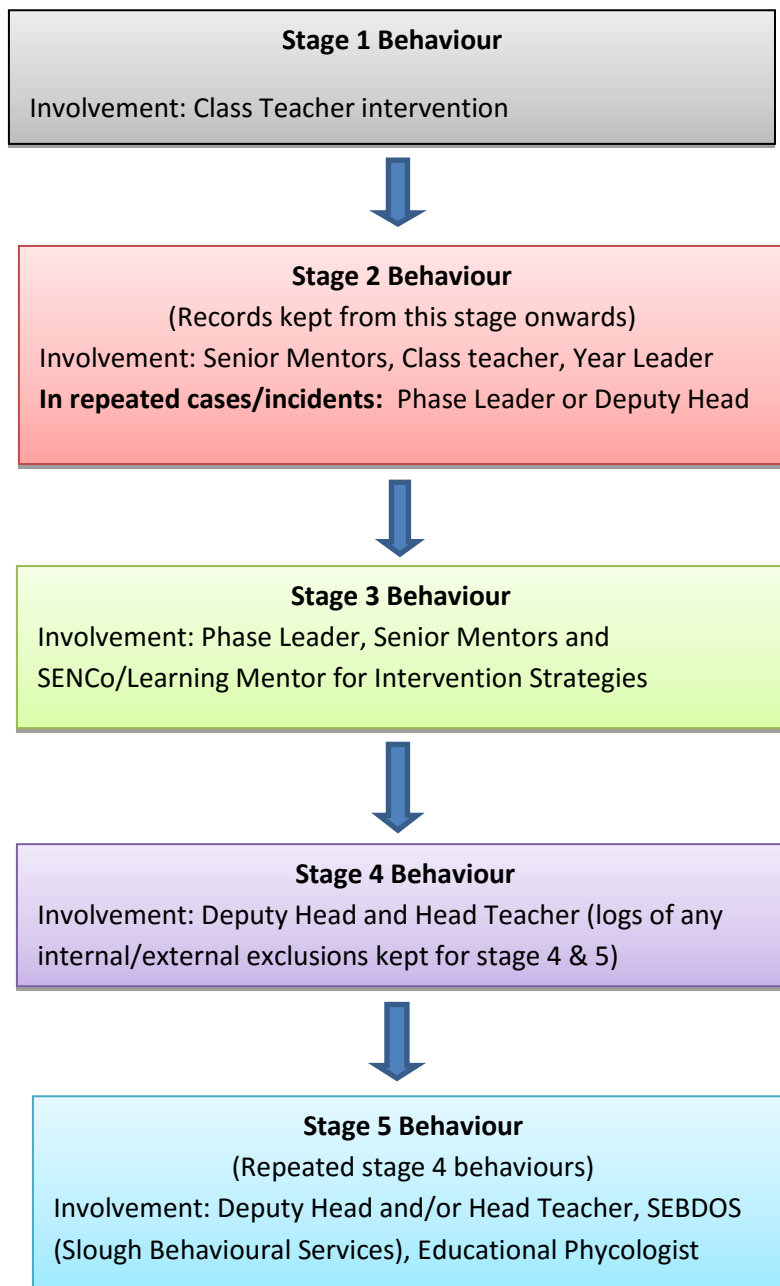

The Headteacher has the day-to-day authority to implement the school behaviour and discipline policy, but governors may give advice to the Headteacher about particular disciplinary issues. The Headteacher must take this into account when making decisions about matters of behaviour.

Monitoring

The Headteacher monitors the effectiveness of this policy on a constant basis. They also report to the governing body on the effectiveness of the policy and, if necessary, make recommendations for further improvements.

The school keeps a log of incidents of misbehaviour. All adults take an active role within school to monitor behaviour. The flow chart below shows the responsibility of each adult in each stage of the Behaviour Policy. The Headteacher keeps a record of any child who is suspended for a fixed-term, or who is permanently excluded. It is the responsibility of the governing body to monitor the rate of suspensions and exclusions, and to ensure that the school policy is administered fairly and consistently.

Iqra Slough Islamic Primary School: Whole School Policy

In Stages 1-5 above, members of the Fit-For-Sport Team or teaching assistants responsible for break and lunchtime supervision will log any behavioural incidents. This log is handed directly to the class teacher for follow up. For behaviour that is either a stage 4 or 5 this log may be given directly to the Deputy or Head teacher.

Appendix 2

Suggested Behaviour Steps

Step 1

In class strategies such as:

- Reprimand/discussion.
- Through discussion, children should be made to understand what they did, why it was wrong and what the consequences are for themselves and others.
- They may need to write an account of what happened.
- They may need to apologise, either verbally or in writing.
- They may need to make a new agreement as to what they will do in future.
- Moving child within the classroom / be separated from others for a specific period,
- Missing Golden time.
- Lose their break time or Lunch time detention (this must be supervised).
- Have their position in class changed to prevent recurrence and remove temptation.

Step 2

If misbehaviour continues Step 1 is repeated. If a child is moved to another class their name is placed into a behaviour log book.

Step 3

Upon a second move to a classroom (the Year Leaders Class and their name being written a second time in the behaviour log), parents will be informed, an oral target agreed and review period set. Other adults who interact with the child in the class will be informed.

Step 4

If little progress is being made to improve the behaviour identified as targets within the time frame agreed, or if additional serious misbehaviours of concern occur, the child will be sent to the Year Leader who may implement further sanctions and contact parents/carers and invite them in for a meeting to discuss further support for their child.

Step 5

Should serious misbehaviours continue, a behaviour plan/chart will be written with parents involved. The Phase Leader will be involved at this stage. Additional appropriate adults within the school (Learning Mentor and Support Staff) will support and monitor behaviour. Guidance may be sought from other agencies and the SENCO who might provide support for the child. A meeting of all interested parties will be held and minutes of the meeting agreed.
