SINGLE EQUALITIES POLICY**

# SINGLE EQUALITIES POLICY

“O you who believe! Be upright for Allah, bearers of witness with justice, and let not hatred of a people incite you not to act equitably; act equitably, that is nearer to piety, and be careful of (your duty to) Allah; surely Allah is Aware of what you do.” (Quran, 5:8)

## 1 Statement of Principles

The policy outlines the commitment of the staff, pupils and governors of IQRA Slough Islamic Primary School to ensure that equality of opportunity is available to all members of the school community. For our school this means not simply treating everybody the same but understanding and tackling the different barriers which could lead to unequal outcomes for different groups of pupils in school, whilst celebrating and valuing the achievements and strengths of all members of the school community. These include:

- Pupils
- Staff
- Parents/carers
- The governing body
- Multi-agency staff linked to the school
- Visitors to school
- Students on placement

At Iqra Primary School we ensure that through our school vision, values, rules, diverse curriculum and teaching we promote tolerance and respect for all cultures, faiths and lifestyles (paying particular regard to the protected characteristics set out in the Equality Act 2010). The governing body also ensures that this ethos is reflected and implemented effectively in school policy and practice and that there are effective risk assessments in place to safeguard and promote students' welfare. This inclusion is essential as preparation for our children so they can make a positive contribution to life in the multi-cultural, multi-faceted world in which we live.

Inclusion for all through providing an environment where all feel valued and free from discrimination is part of the core values which underpins all our work, practice and ethos at Iqra. We are committed to promoting the understanding of the principles and practices of equality - treating all those associated with our school as individuals, according to their needs, with an awareness of our diverse society and appreciating the value of difference. We actively promote an anti-bullying stance which includes making explicit the unacceptability of racist, disablist, gender based, religious and homophobic remarks. In fact we actively seek to combat all forms of negative discrimination.

## 4 Monitoring and Review

IQRA is an inclusive school, working towards greater equality in the whole school community. We use the curriculum and teaching to enhance the self-esteem of all those it serves and to provide a learning environment in which each individual is encouraged to fulfil her or his potential.

We collect and analyse a range of equality information for our pupils/students:

- Attainment data
- Attendance data
- Exclusions, involvement with extended learning opportunities, complaints of bullying or harassment.

We ensure that these are analysed by ethnicity, disability, gender, free school meals (FSM). This analysis informs our Teaching and Learning and is an integral part of action planning.

We make regular assessments of pupils' learning and use this information to track pupils' progress, as they move through the school. As part of this process, we regularly monitor the performance of different groups, to ensure that all groups of pupils are making the best possible progress. We use this information to adjust future teaching and learning plans, as necessary.

Resources are available to support groups of pupils where the information suggests that progress is not as good as it should be. The governing body receives regular updates on pupil performance information.

School performance information is compared to national data and local authority data, to ensure that pupils are making appropriate progress when compared to all schools, and to schools in similar circumstances.

As well as monitoring pupil performance information, we also regularly monitor a range of other information. This relates to:

- Attendance
- Exclusions and truancy
- Racism, disability, sexism, homophobia and all forms of bullying

- Parental involvement
- Participation in Extended Learning Opportunities

Our monitoring activities enable us to identify any differences in pupil performance and provide specific support as required, including pastoral support. This allows us to take appropriate action to meet the needs of specific groups in order to make necessary improvements.

IQRA Slough Islamic Primary School is also committed to providing a working environment free from discrimination, bullying, harassment and victimisation. We aim to recruit an appropriately qualified workforce and establish a governing body that is representative of all sections of the community in order to respect and respond to the diverse needs of our population.

We recognise The Employment Duty within the legislation and collect information on staff in post, and applicants for employment, training and promotion. This is deemed to be best practice in order to identify potentially discriminatory practice.

We collect and analyse a range of profile information for our staff and governors:

For example, applicants for employment, staff profile, governing body profile, attendance at training events, disciplinary and grievance cases, staff appraisal/performance management, exit interviews.

*All information is subject to **strict confidentiality**.*

We have identified the following issues from the analysis of the data:

Due regard is given to the promotion of equality in the School Improvement Plan. The SLT are responsible for the monitoring and evaluation of the policy and action plan is

Their role is to:

- Lead discussions, organise training, update staff in staff meetings, support discussions
- Work with the governing body on matters relating to equality
- Support evaluation activities that moderate the impact and success of this policy

## 5 Developing Best Practice

### Accessibility

The school has worked hard to be as accessible as possible. However, should any individual encounter any difficulties with our provision we would actively seek to support them.

#### The Curriculum

At Iqra Slough Islamic Primary School we provide a broad and balanced curriculum that is accessible to all children, recognising individual needs and working in close partnership with parents and other professionals. We plan our curriculum to extend our children's knowledge and experience of Islam as a global faith and of other religions, cultures, languages and celebrations. We ensure that our curriculum echoes the diversity of our society. Our curriculum planning, the resources we select and the behaviour we expect reflect the commitment from staff, parents/carers and volunteers to actively include all our children.

Educational inclusion is about equal opportunities, for all children, whatever their age, gender, ethnicity, attainment and background. It ensures particular attention to the provision made for the achievement of different groups of pupils within a school. We are aware that specific groups of children are more likely to under-achieve and/or suffer discriminatory practice than others within our society.

These groups include:

- girls and boys; transgender children;
- minority ethnic and faith groups, travellers, asylum seekers and refugees;
- pupils where family members are in prison;
- pupils who need support to learn English as an additional language (EAL);
- pupils with disabilities;
- pupils with special educational needs;
- gifted and talented pupils;
- children 'looked after' by the local authority;
- other groups of children (such as sick children, young carers and children under stress, children from single parent families, children with parents/carers with drug or alcohol dependency issues, children with same sex parents/carers);
- any pupils who are at risk of disaffection and exclusion.

Note:

Under the Equality Act 2010, in very limited circumstances, an employer can claim that a certain religious denomination or belief is considered to be a genuine occupational requirement of that role. An aided school may be able to rely on this for some roles in school, particularly those roles that provide spiritual leadership. However this would not apply for all staff in School.

In addition, there are also instances in which a job will qualify for a genuine occupational requirement on the grounds of gender. However, only in very few instances would this be permissible, for example, where the job is likely to involve physical contact with members of the opposite sex, where matters of decency or privacy are involved.

We take seriously our legal duties regarding discrimination. When drawing up this policy we felt that, whilst this is a stand-alone document, inclusion permeates all aspects of school life and this document should therefore be read in conjunction with other policies e.g. SEN Policy, Behaviour Policy, Anti-bullying Policy, Values for Education Policy, SMSC Policy and Safeguarding and Child Protection Policy..

## **10 Annual Review of Progress**

We will incorporate all requirements into one annual report which meets the requirements of the new legislation and which will formulate the basis for the annual action plan.

## **11 Equality Impact Analysis**

*We regularly undertake an equality impact analysis (EIAs) - similar to undertaking health and safety risk assessments. This involves predicting and assessing what the implications of a policy, function or strategy will be on a wide range of people.*

*(Note: EIAs are a way in which we can analyse all of our work (this could be a policy, procedure, project, strategy or service) to ensure it meets the needs of all our service users and that no group (in relation to ethnicity, disability, gender, age, religion and belief, and sexual orientation) is disadvantaged or cannot access services.)*
