

13.03.2020

Dear Parents and Guardians,

### **CORONAVIRUS UPDATE**

Following the Government's most recent announcement on Thursday 12th March 2020 the following precautionary measures should be taken;

- If **ANYONE** in your household has a temperature (above 37.5) or a "new consistent" cough, you must self-isolate for seven days. This means **DO NOT** send in any children from your household, to school, until you have **ALL** self-isolated for the recommended **7 days**.

Should there be any further guidance from the Government, we will of course communicate this as soon as possible. Further information is also available on the following Government website:

<https://www.nhs.uk/conditions/coronavirus-covid-19/>

<https://www.gov.uk/government/topical-events/coronavirus-covid-19-uk-government-response>

Please do not worry about the impact this absence will have on your child's attendance during this time. These are difficult times and we must all work together and follow Government advice to overcome this outbreak.

All homework will be available for pupils and parents to access on the Iqra school website under their year group tab. Homework is only to be completed by children, if they are well enough.

Yours sincerely

Mineza Maher  
**Headteacher**
