Dear Parents and Guardians,

**Re: COVID-19 (Coronavirus)**

Iqra school is now closed until further instructions are received from the Government.

The Minister of Education has said "The aim of closing schools to pupils was taken to reduce the number of children in schools to enhance the effectiveness of our response to the Covid-19 outbreak."

These are unprecedented times and it is important that all the advice, guidance and instructions from Government are followed and adhered to. Please ensure that the children are maintained within the home environment, limit contact with others from outside your immediate family and ensure that the children are well supervised by an adult at all times.

Should you have any concerns regarding the safety of your child whilst the school is closed please contact our safeguarding lead via email. Ms Dhillon - [pdhillon@iqra.slough.sch.uk](mailto:pdhillon@iqra.slough.sch.uk)

It is important that, during the period that schools are closed to pupils, we will continue to make provision as far as possible for their continuing learning. We would like to remind all parents, that you can contact your child's year leader via their emails (below) if you have any queries.

Work has been given to the children to complete at home and additional homework will be updated on our school website every Friday.

I would like to reassure all parents and carers that emails to the school office ([office@iqra.slough.sch.uk](mailto:office@iqra.slough.sch.uk)) will be checked on a daily basis.

I pray that you all remain safe and healthy and we look forward to welcoming our children back Insha'Allah.

Yours sincerely
