

# Asalaamualaykum 2.1!

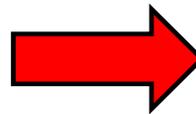

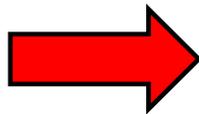

## Guess who?

I hope you and your families are all keeping well in shaa Allah. I really miss all of you! I know it must seem like a very odd time but it's a time that you will never get back again so you need to make sure you make the most of it.

I know what you're thinking 2.1 – "BUT MISS KHALID WE MISS YOU TOOOO MUCH!" Ok you might also be missing your friends a little :P ... but in shaa Allah we will be back soon and we will be able to appreciate everyday a little more than we used to.

I hope you remember our PSHE lesson – how all of us need to work together to get through this time. I hope you are helping your parents and siblings at home also. I know some of you are thinking but I'm boreeeed missss! Below are some suggestions on what you can do if you are bored.

**BORED OF BEING  
BORED BECAUSE  
BEING BORED IS  
BORING**

Remember  
Nobody is  
boring!  
Especially in  
2.1

2.1 instead of saying I'm bored think of everything you've ever wanted to do...make a list...

Write a letter to your friends about what you've been doing. (You can give this to them when you return to school in shaa Allah.)

Create a diary and write everyday what you were feeling and what you did. (This is an event that will be spoken about later on in life. Just how we learnt about the Great Fire of London people will learn about this virus and just like Samuel Pepys wrote a diary and was an eye witness you also will be able to tell your story one day.)

Collect used boxes and have a competition with your siblings who can make the tallest tower?

Learn your salah in time for Ramadan and make lots of dua for yourselves, your family and everyone in the world.

**A DAY  
WITHOUT  
Laughter  
is a  
A DAY  
WASTED**

• ALWAYS •  
BELIEVE THAT  
SOMETHING  
*Wonderful*  
IS ABOUT  
TO HAPPEN
