Asalamualyakum R2!
I want to start by saying…

RAMADAN MUBARAK to you and all of your family! This special month has finally arrived. I am so excited! I am going to spend this month reading lots of Quran and trying to collect lots of good deeds.

Every week I am going to be posting 3 good deeds I would like you to do to make Allah SWT super happy with you ☺

Ramadan good deeds for this week:

1) Smile at everyone in your home
2) Help you mummy/daddy prepare iftar
3) Say Alhamdilah x100 every day to thank Allah SWT for all the blessings he has given you.

I baked some delicious Cinnabons this week for my family. They loved it so much and ate it all up so quickly.

Online learning

It was amazing to see you all on our online phonics lesson on Wednesday. Our next lesson will be on Monday on Maths. Your parents will be sent a reminder on Sunday. I can't wait to see you all then.

Stay safe,
Ms Shuwekh ☺
