

Asalaamualaykum R3!

How are you all? I hope you are all well and safe. I'm sure you are all missing coming to school and seeing all your friends. Ms Mehmood and I are missing you just as much and we can't wait to see your cheeky faces soon. But for now... Ms Mehmood and I are sending you all a **big virtual hug through the computer. Come on now all of you, arms out, Countdown 1, 2, 3, Squeeze. Woooooow**, we can feel your warm hugs and happy hearts all the way from here. Thank you all for the wonderful hugs. They were soooo warm and fuzzy!

I hope you have all being doing your homework, because it is really important that you don't forget all the things you have learnt this year. Remember we need to feed our brains and bodies with lots of learning, lots of healthy food and lots of exercise. That way when you get back to school you're ready to go!

I need you to remember and apply all that we learnt about being:

Resilient: never giving up and being brave

Independent: having a go yourself

Caring: always being kind to yourself and to everyone around you.

This means helping your mums and dads do little jobs around the house and being extra kind to everyone in your family. I can't wait to hear all about the amazing things you have been doing at home and how helpful you have all been.

Finally I know that this is a very strange time for you but remember that we learnt that Allah loves your duaas and so I need you all with me, Ms Mahmood, the whole of Iqra School and your families to make Duaa that ALLAH makes everything better.

See you all soon InshAllah!

Stay smart!

Stay smiling!

Remember you are all my little superstars!

From Ms Mehmood and Ms Hersl
