

## Pupil Shoutouts!!!

Walaikum Assalam Zoha,

WOOOOOW, I love your castle Zoha! Thank you for your photo. I loved seeing that cheeky smile of yours. Your castle looks fantastic and it looks just like a real castle too. The rainbow was almost as bright and beautiful as you Zoha! Your crown and heart are super. The messages in the clouds and on the flag made my heart melt, they were so thoughtful and kind. I know how much you love Art so I'm really glad you're getting creative at home. Remember your Art is precious so keep it somewhere safe! I can't wait to see what other amazing things you've been up to.

Stay Bubbly Zoha!

Walaikum Assalam Maryam,

Thank you for your wonderful letter and photo. Thank you for writing back and for sending a high five back to me. You are such a kind and thoughtful girl and so I'm sure your friends are missing you too. I'm glad to hear you're still doing lots of art and I love the box you have made. I especially like the hearts and stars you've put on your box and your colourful rainbow. What are you going to fill up the inside of your box with? Maybe you can turn it into a Ramadan dua box and you can fill it up with lots of duas for Ramadan. Then on each day of Ramadan you'll have lots of duas to read!!

Stay Super Maryam!

Walaikum Assalam Mujtaba

Thank you for your letter. It was a wonderful surprise. We miss you sooo much and I'm sure your friends miss you too! I'm really happy to hear you have been having so much fun at home. Your garden barbeque sounds scrumptious and I'm sure you had lots of delicious food on the menu. I'm glad you've been staying active by playing lots of games. I've been playing tag rugby with my brothers. I am very proud of you for keeping your brain busy with lots of learning and for doing your homework every week. Wooooow what do the forts you have built look like? How big are they and what materials have you used? Let me know!

Stay Active Mujtaba

Assalaamu Alaikum R3!

I hope you are all well and staying safe in your homes.

Guess what? We are still missing you all tremendously and so this week Ms Mehmood and I are sending you all a virtual smile through the computer.

Come on now, get ready to catch a smile and put it on your face.

Countdown 5, 4, 3, 2, 1, and smile!!! Wow those smiles look stunning Masha 'Allah. I want you to keep those smiles on your faces at all times!!

This week I have been baking some more chocolaty treats. I made a delicious chocolate cake. I decorated the top of my scrumptious chocolate cake with some milk chocolate stars, to give it extra glow. Once it was ready I shared it with my family and we had it with some sweet Karak tea. We had our very own little tea party!

R3 it's nearly Ramadan! I am soooo excited and I'm sure you all are too. Ramadan is a very special month for us. In this month Muslims fast from dawn till dusk. We also do lots of prayers and give charity too. People all over the world will be celebrating Ramadan with us. So this week my family and I have been getting Ramadan ready! We have been putting up some Ramadan decorations and listening to lots of Ramadan nasheeds. 'Ramadan Moon' by Yusuf Islam is my favourite Ramadan nasheed and this year it's even more special because it reminds me of all of you! Can you all find it on YouTube and listen to it too? To mark the beginning of Ramadan we have to sight the Ramadan moon but we need a special piece of equipment to do that. We need binoculars!! So I have a challenge for you all. Can you all have a go at designing and making your very own Ramadan binoculars, to sight the Ramadan moon?

**Let's get RAMADAN READY!!!!!! Have a go!!!!!!**
