

## Where has this week gone?

This week feels like it has gone very quickly for me. I am so amazed at how grown up you all seem using zoom. I'm sure some of you know it better than I do and will have to give me some lessons when we get back to school. Thank you to those of you who are sharing what you are doing with me and the rest of the school by emailing

[parentconnect@iqra.slough.sch.uk](mailto:parentconnect@iqra.slough.sch.uk)

It really helps me to think of some great ideas of what I can do to stop myself from being bored. I hope it does the same for you.

There are also LOADS of competitions and challenges for you this week. I look forward to seeing your creations!

## Book of the week

Have you heard of the story 'The wizard of Oz' by L. Frank Baum? Well that is what I have been reading this week. It's a story about a girl who is trying to find her way home to her aunt and uncle from a magical land.

## Creative corner

This week I have been doing some jigsaw puzzles. I really like the gradient (do you remember that means slowly changing from one colour to another)

## Times table challenge

Brave enough to have a go? Join us at:

<https://www.timestables.co.uk/speed-test/>

I looked at 1 2 5 10 times tables and scored 239 points.

**CHALLENGE**  
*Accepted!*

## Ramadan decorations - competition!

I've seen lots of IQRA pupils and teachers making some fantastic Ramadan decorations for their homes (look here to see them)

<https://www.iqraprimary.com/parent-connect-covid-19/>

Please share your decorations with me (I especially like ones that you make yourself) and when we get back to school there will be a **prize** for the best one!

Good luck everyone!

## Keep moving

If you are like me you are wanting to run around and play but finding it a little difficult because you can't go out to the park or to see friends.

Well check out this website for lots of challenges and ideas for you and your family. It will help you stop turning into couch potatoes and keep you healthy!
