

ARYAN!

Aryan! Thank you so much for the glasses you made me! I loved seeing both pairs of glasses; they looked amazing! I loved how you used lots of different materials and bent and shaped them in specific ways to get the final outcome. Did you make the glasses all by yourself? If so, I am so impressed, I forgot just how creative you are! I am also very excited to see your den!

ZAYAN!

Wow Zayan, I loved reading about everyone and everything you are grateful for, particularly the bit about trying to fast! How long were you able to keep your fast? Was it tricky?

Your dessert snacks look soo yummy! Did your little sister help you make them? Did you only use chocolate, or did you add other special ingredients too? How long did it take for you to make them?

Assalaamualaikum R1!

How are you all? It has been great seeing you all on Zoom and hearing about all the amazing things you've all been doing at home! See you guys on Monday!

Ms Mahmood + Ms Cumar

Your challenge is to also recreate a picture of a story book; it can be the book Ms Mahmood has recreated, or it could be **any** book you like! Send in pictures of your book covers to parentconnect@iqra.slough.sch.uk

SAFIYYAH!

Firstly, a big **MASHA'ALLAH** for memorising Surah Al-Kauthar! Learning verses of the Qur'an can be tricky, but you are doing a fantastic job and the reward is immense. Well done, we're so proud of you! Safiyyah your Ramadhan decorations are amazing! The lanterns look fantastic; did you make them all by yourself? I love the fancy tapes you have used to decorate your lanterns too, how creative!
