

## Pupil Shoutouts!!!

Assalamu Alaikum Ayat

I'm really glad to see that you have been staying very busy! The weather has been so sunny lately and you are dressed perfectly for the sunshine. You look so adorable in your summer clothes. I'm happy to see you've been gardening just like Ms Mehmood. You are so strong for picking up that plant pot, it looks really heavy. Who have you been gardening with? Have you planted any flowers? Have you watered any plants and have any of them grown? Maybe you could give Ms Hersi some ideas about what to plant. I know how much you love rainbows. Have you spotted any in the sky during this sunny weather? Let me know!

Stay Shining Ayat!

Assalamu Alaikum Zoha

A big Ramadan Mubarak to you too Zoha! There's that bright smile of yours again Masha 'Allah! Wooooow, I love your Ramadan decorations. They all look so fantastic. Did you have any help with the decorating? The pink lamp looks so beautiful and bright, I can feel it glowing from here. I bet it's your favourite, I know how much you love all things pink. Those little candles are super cute too! I'm curious Zoha, what do the little Ramadan bags have in them? Are they full of treats for you? Let me know! If they are full of treats for you I hope you enjoy them and thank mummy and daddy.

Stay Super Zoha!

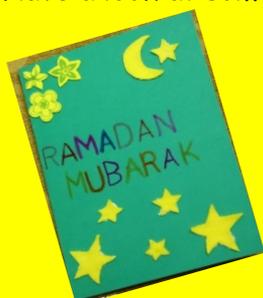

Assalamu Alaikum R3!

How are you all this week? I hope you're all staying safe at home. I have really enjoyed seeing all of your little bright faces in our phonics and maths lessons. So this week Ms Mehmood and I are sending you a huge, an enormous and a gigantic **THANK YOU!!!** For being the best class ever and for brightening up our days. You are all sooo precious to us both!

Guess what R3? Ms Mehmood has gone baking crazy! She's still baking delicious treats at home and this week she made one of my favourite treats. She made M&M cookies. Once she had made her cookies she decorated them with different colour M&M's and put them in the oven to bake. Have a look at the picture. What shapes are Ms Mehmood's cookies? What are some of your favourite treats to bake? Let me know!

R3 it's Ramadan!! We are so lucky to be able to celebrate Ramadan with the people we love around us. To celebrate how lucky we are, we have to spread Ramadan greetings to our family and friends. This week I want you to have a go at making a Ramadan Mubarak/Happy Ramadan card for a special person. You could make your Ramadan card for a family member or for a friend, maybe even for one of your friends from school. Remember to decorate your card and remember to put a special message inside for your special person. I am so excited to see all your Ramadan Mubarak cards and the beautiful messages you put inside. Have a look at some of the examples below to get you started.

Have a go!
