

# Odd and Even Numbers

Click the odd numbers to turn them blue. Leave the even numbers grey.  
Talk to your helper about what patterns you notice.

**1**   **2**   **3**   **4**   **5**   **6**   **7**   **8**   **9**   **10**

**13**   **14**   **15**   **16**   **17**   **18**   **19**   **20**   **21**   **22**

**29**   **28**   **27**   **26**   **25**   **24**   **23**   **22**   **21**   **20**

Look at the 'ones' digit of all the odd numbers. What do you notice?

Look at the 'ones' digit of all the even numbers. What do you notice?

Tick the odd numbers:

**272**   **434**   **321**   **79**   **125**   **108**   **80**

Tick the even numbers:

**88**   **322**   **950**   **421**   **342**   **233**   **344**

Saira has 75 pencils. Her teacher has asked her to divide them between two pots. Saira says, 'I won't be able to do it.' Is she right? Explain why.
