Dear Parents and Carers,

It's that time of the year again! On Friday 13<sup>th</sup> November, Iqra School, will once again be supporting **Children in Need**.

We know things have been tough recently, so this year we are making children's mental wellbeing our number one priority. The children will have a fun packed day full of activities that are aimed at helping them feel healthier and happier.

Please support Iqra's fundraising efforts for this great charity by sending in a donation of £1 (or more!). This is completely voluntary as we would still like all the children to take part in the activities.

Children in Need uses donations from fundraising to support projects and charities across the UK to ensure that every child has a safe, happy and secure childhood, and the chance to reach their full potential. You can visit the following link online for a detailed breakdown of the projects that have been supported by Children in Need:

Thank you for your continued support
