

9<sup>th</sup> November 2020

Dear Parents & Carers,

Due to the rising COVID cases in Slough, it is utmost important you notify us of the following, to help us keep our school community safe;

- If you or any member of your household tests positive for COVID-19
- If your child or any member of the family develops symptoms of COVID-19. The person with the symptoms should get a Covid test. All members of the household must isolate while waiting for the test result.

When isolating one should not go to work, school or public areas and exercise should be taken within the home. This greatly reduces the amount of infection the household can pass on to others.

**Reminder of the symptoms:**

The most common symptoms of COVID-19 are recent onset of:

- New continuous cough
- High Temperature
- A loss of, or change in, normal sense of taste or smell

If your child or anyone in the household does develop symptoms, you can seek advice from the NHS by calling 111 or visiting:

<https://www.nhs.uk/conditions/coronavirus-covid-19/>

I thank you for your continued support throughout this challenging time.

Yours sincerely

Dr M. Maher  
**Headteacher**
