Assalaamualyikum wa rahmatullahi wa barakatuh,

The Trustees of Al Miftah Aid would like to thank Iqra School for their generous donations of food to help those struggling in our local Slough community. We have come across families who struggle to feed themselves week to week. There are also our Elderly and vulnerable neighbours who feel isolated as they don't always have the support they need.

We think it is of utmost importance that our own community is supported in every way and no one goes without - irrespective of faith and personal beliefs. We can only achieve this through the help of generous donors like yourselves who are making a huge difference in people's lives.

We also send our heartfelt thanks to you all for your donation of Eid gifts for the children in these families. May Allah swt bless your generosity.

Iqra School is one of leading Schools supporting the local community and we pray Allah puts barakah into the School and lives of all those involved.

We look forward to working with you in the future.

JazakAllahu khair
